- Support to the networking among the members - October 2012/September 2014.
- Specific participation in the CPMR Communication activities (diffusion of press release, news to include in the CPMR newsletter etc).

VII. SUMMARY OF THE MAIN ACHIEVEMENTS OF THE INTERMEDITERRANEAN COMMISSION IN 2012-2014 AND PERSPECTIVES FOR THE FUTURE

Main achievements:

- **Boosting the activities of the Intermediterranean Commission and its Working Groups** (capitalisation/follow up of lobbying activities and European projects, presentation and development of new initiatives etc).
- **Creation of high level forums for political debate on issues of crucial interest for the Mediterranean regions (Political Bureau, General Assemblies, ad hoc/back to back seminars), and production, endorsement, support and dissemination of several policy and programming documents** (IMC Action, Political declarations of Barcelona, Patras, Venice, Arlem report, Maremed political messages, Ljubljana Declaration, Bologna Charter, FARL declaration, Charter COM Med CGLU etc.).
- **Designation of the Intermediterranean Commission Presidency as:** Member of the Political Council of the Mediterranean Commission of CGLU; Rapporteur for the ARLEM ECOTER Commission on a cohesion strategy for the Mediterranean; Coordinator of the CPMR's Macro Regions task force.
- **Fostering the relations with key external actors of the Euromediterranean area including ARLEM, the Union for the Mediterranean (through a Memorandum of Understanding), the European Commission, the European Parliament and the Committee of the Regions, specific external partners (Arco Latino, Euroregion Pyrenées Méditerranée, Adriatic-Ionian Euro Region, UCLG, Plan Bleu, Med Solutions, Med Cities, and other networks), the European cooperation programmes (MED, ENPI, IPA...).**
- **Establishing the bases for:** the adaptation of the macroregional approach to the Mediterranean (Road Map for Macro-regional strategies), the future set up of specific pilot and strategic project, the enlargement of the CPMR Intermediterranean Commission partnership in the north, the south and the east of the Mediterranean (Italy, Morocco, Tunisia, Balkans, Turkey etc.).

Main perspectives and priorities for the future to be updated by the new IMC Political Bureau 2014-2016:

The Intermediterranean Commission will continue its efforts for implementing, updating and renewing - within its new mandate - the objectives set out in the framework of its Action Plan and its Working Groups, mainly through:

- **Follow-up of the main political messages approved during the two years of mandate and periodical update.**
- **Concrete European cooperation projects:** capitalisation on completed European projects (e.g. Maremed, Otremed), implementation of European projects already running (COM&CAP MarInA-Med, Elihmed, Medspring, Coastgap), drafting and presentation of new projects under European programmes of interest (Med, Enpi Cbc Med, Adriatic-Ionian Programme, Horizon 2020, CsO&LA, Interreg Europe, Union for the Mediterranean etc.).
- **Fostering the relations with the European Institutions and external Euromediterranean stakeholders** (implementing previous cooperation agreements, setting up the bases for new ones, organising joint events, initiatives, drafting common projects etc.).
- **Improving the communications strategy and consolidating the membership of the Intermediterranean Commission** through specific contacts with new potential members and the organisation of specific missions and seminars in these territories.
